WIDE RANGE OF GROCERY....

We are a team of four partners, all professionally trained veteran of the field with an expertise over 30 years, both in the processing and domestic & international marketing of fast moving Indian-Kerala food materials, in retail or bulk packing.

We have been catering to the various requirements of all major Brand leaders in Kerala on job-work basis, both manufacturing & supplying all food items of the list such as Rice, Rice Powder, Rice Products, Spices & Curry Masala, Pickles & Fruit Jam, Edible Oil, Tea, Snack Foods, Grocery and such other complementary FMCG products.

We have now floated our own registered Brand exclusively for the export markets, under the style "Kerala Kitchen", supported with 13 digit international barcode for marketing safety and authenticity.

We serve the entire range of Kerala/Indian ethnic food products for your sourcing convenience and cost efficient single-point procurement, on an assorted basis or otherwise as you choose.
